Commitment: Our program requires two weekly components for success:

A. 2 days class time

B. 2 days homework

Contribution: An adult from every family must **actively volunteer and stay onsite**. Your family will get more out of it *just as much as you put into it!*

Curriculum based: We follow the carefully chosen books, but we love creative projects & group interaction.

Cooperation: It takes **teamwork** to job-share homeschooling! Teachers aid parents by leading their child in a subject: parents help with homework.

Customized: Choose only the classes which suit your family.

Support & Encouragement: Expand **Faith, Knowledge, Wonder, & Skills** through structure, variety, friendship, public speaking, and excellent classes.

Guide to a Happy Co-op: Complete homework, *come early*, be in dress-code, ask questions, *be friendly*, help out, *clean up*, check website, stay home if sick, & *ask for help*. **WeRhere4U!**
